Preschool Program

Dear Parents,

We are so excited to start a new Preschool year at French City Child Care Center. We have several new creative ideas to make the path of learning an enjoyable experience for your child. The Preschool Program will start September 13th, 2010, Monday, Wednesday, and Friday from 9:00am till 12:01pm.

Please send the following supplies with your child on the first day of Preschool.

You may want to use this opportunity to shop with your child and explain to them that they are going to be learning and they will be responsible for their own supplies.

- Box of Tissues
- 1 (Your child's favorite) empty cereal box
- Box of wipes
- Extra change of clothes
- A blanket and pillow for naptime

We will be supplying each child with their own pencil box, crayons, glue stick, and pencils. These items stay at the center and your child will have access to them daily. Papers will not be sent home daily, we will be compiling them in your child's folder for an upcoming parent night for you to review your child's progress. However, any artwork or class papers that are in your child's slot may be taken home, **Please check it daily**

We will have show and tell on Fridays to encourage the children to speak in front of their classmates and share their toy, stuffed animal, etc. that begins with the letter of the alphabet that we are working on that week. Please help us in reminding your child that these items may only be brought in on Fridays.

Another fun way that we will be teaching responsibility is with a class teddy bear and journal that will rotate and go home with a student each day. Please encourage your child to involve the teddy bear in his/her evening routines. For example: Family meal time, brushing his/her teeth, bedtime stories, etc. Please help your child journal the evening activities with words and/or pictures.

We are so excited to begin another fun filled, learning experience with your child.

Thank you so much for your support and co-operation.

Sincerely,

Miss Lori & Miss Leslie
